

## 2000-2001 Direct Loan Technical Reference File Naming Conventions

Note: When putting together your technical reference, use the following table. The book should be assembled in the order shown below.

- The first column indicates the document's order.
- The second column indicates the electronic file name for each section.
- The third column indicates the sections that are affected by the most recent update (February 2000).
- The last column gives a brief description of the section.

Order	File Name	February Updates	Description
1	TrackingLogFeb00.doc	Yes	Tracking Log: Instructions for removing and inserting new pages. Description provided of each change.
